

WRITTEN TO DAN PARISH 9/8/08

Thank you Dan... I am so pleased with you and your staff. Your work is clearly state of the art! I have enjoyed their company and, to say the least, their appearance. They have been extremely polite and clean up after themselves nicely. I called Mary McCoy at Ralph Lauren, who referred you to me, with raving reviews. Congratulations to you on a well run company.

You may charge the balance on the same credit card. I look forward to receiving your proposal regarding the Master Bedroom Doors.

Best regards,

Pamela J. Hoefflin
